

# Power Series

An INVITE-ONLY,  
elite-access program for  
doctors with passion,  
dedication, and  
eagerness to take their  
careers to the next level.

Everyone knows knowledge is power. But the question is how much power? Answer: only great knowledge leads to great power and unparalleled success!

Now, Implant Seminars, the leader in postgraduate dental implant continuing education, is pleased to introduce a new exclusive program that delivers that power right to you!

The Power Series is an invite-only elite-access program offered to doctors who have demonstrated to members of our organization an unmatched dedication to dentistry, uncommon passion and drive, and are considered “go-getters,” eager to take their careers to the next level!

The Power Series will be offered in Miami and features a four-part program where some of the world’s leading dentists, including Drs. Arun Garg, Craig Misch, Neal Patel and Markus Schlee, will speak on a variety of topics shaping dentistry today.
