IMPLANT DENTISTRY EDUCATION

Implant Seminars offers the World's Largest and Most Comprehensive Live Patient Program. And Dr. Arun K. Garg, its founder with 30 years' experience, wants YOU to sign up today!

Over the course of three career-transforming days, doctors place up to 8 implants and work in pairs with another doctor on actual patients, switching off with each case. The program also includes engaging lectures run exclusively by Dr. Garg with ample discussion time built in to discuss the most common issues that arise in the case-by-case surgeries that you encounter.

Live Patient Power: There's nothing Like Working with Actual Patients in a Clinical Setting

As a 30-year educator and expert maxillofacial surgeon, Dr. Garg knows the value of live patient experiences. That's because he's witnessed – and personally educated – thousands of doctors as they go through this profound experience. The journey toward implant placement success begins case by case. And with each of those cases you'll be overseen by nothing but the best.

Dr. Garg has written 8 textbooks on a wide range of dental procedures and is today the undisputed preeminent authority on advanced bone grafting and is also the co-discover of platelet-rich plasma. Combine with 150 published journal articles and 18 years' academic experience at one of the world's top medical schools, and you'll know within minutes upon your arrival that Implant Seminars means what it says.
