

Diagnose, treatment
plan and perform Free
Gingival Grafts,
Gingival Recession
Grafts, and Crown
Lengthening for
predictable results.

Soft Tissue

Hands-on Live Patient Program

This surgical course consists of 3 days. On the first day, there will be half a day lecture covering crown lengthening, gingival recessions, connective tissue grafting technique, and free gingival graft technique.

The remaining 2.5 days, you will be performing soft tissue surgeries under the guidance of our highly trained faculty member. It will be two doctors assigned per chair. You will perform a surgery while your partner assists you and vice versa.

Soft Tissue

Hands-on Live Patient

This course takes place in our private clinic in Santo Domingo in the Dominican Republic and is instructed by an experienced periodontist from Venezuela.

Gingival Recession

Crown Lengthening

Free Gingival Graft
