

Extractions Focused on Third Molars

Hands-On Live Patient Program

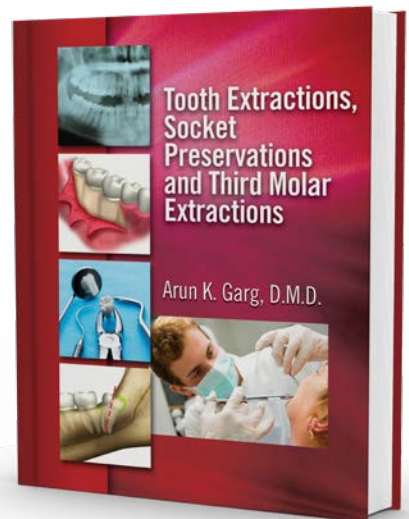

WHAT TO EXPECT

The course is conducted Thursday, Friday, and Saturday for a **total of 24 hours**.

- » Perform 20-30 third molar extractions in three days.
- » Assist your partner with an additional 20-30 extractions.
- » Experience a variety of cases you see in your office everyday.
- » Expert faculty supervision by experienced Oral Maxillofacial Surgeons.

Receive a 246-page hard covered extraction book with your registration.

OUR FACILITY

- » Fully air-conditioned 26-dental chair American-style clinic with compressors and vacuums.
- » A wide variety of hand instruments as well as hand pieces and electro-motors, if needed.
- » Panorex's, Cone Beam CT scans, and Periapicals are all available as needed.
- » All the graft materials and all the PRP/PRF supplies, sutures, and anesthesia are also provided.

TRAVEL AND EXPLORE IN STYLE

Flight, hotel and ground transportation can be arranged through our travel agent.

Excellent evening dining options and unmatched sightseeing opportunities abound in this spectacularly diverse island nation. If you're not too tired, all is waiting for you to explore!

Breakfast is generally included in the Dominican Republic hotels and lunch will be included at the clinic. Dinner and/or sightseeing in the evening will be on your own.
